## *Four Cornerstones of Resocialization*

<b>WORK</b>  Participation in identified work activities around campus and off campus (when appropriate) including, but not limited to, community service and monetary victim restitution.	<b>DISCIPLINE TRAINING</b>  Learning self-discipline through active participation in a structured sixteen-hour day. They follow a routine that teaches how to structure time to accomplish goals and improve self-esteem. Ties together practice, hard work, and improved performance
<b>CORRECTIONAL THERAPY</b>  This is the core of Resocialization. Correctional Therapy focuses on intervention strategies to stop negative behavior patterns, often times utilizing the youth's peers to achieve this goal. There are several components that will be discussed in detail later.	<b>EDUCATION</b>  Youth develop academic and employment skills that will assist them in meeting their needs in a pro-social way once they are released back into the community. Youth attend school throughout the year and obtain either their G.E.D. or a high school diploma.

1-2 who are subject to sex offender registration.

1-3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

1-4 SECTION 1. Subsections (a), (b), (c), (e), and (f), Article

1-9 62.035 shall determine the person's level of risk to the community  
1-10 using the sex offender screening tool developed or selected under  
1-11 that article, assign to the person a numeric risk level of one or  
1-12 two, and immediately send a written notice of the risk level to the  
1-13 penal institution from which the person is due to be released. On  
1-14 receiving notice under this subsection, an official of the penal  
1-15 institution shall:

1-16 (1) inform the person that:

1-17 (A) not later than the seventh day after the  
1-18 date on which the person is released or the date on which the  
1-19 person moves from a previous residence to a new residence in this  
1-20 state, the person must:

1-21 (i) register or verify registration with  
1-22 the local law enforcement authority in the municipality or county  
1-23 in which the person intends to reside; or

1-24 (ii) if the person has not moved to an  
2-1 intended residence, report to the juvenile probation officer,  
2-2 community supervision and corrections department officer, or parole  
2-3 officer supervising the person;

2-4 (B) not later than the seventh day before the  
2-5 date on which the person moves to a new residence in this state or

2-7 enforcement authority with whom the person last registered and to  
2-8 the juvenile probation officer, community supervision and  
2-9 corrections department officer, or parole officer supervising the  
2-10 person; and

2-11 (C) not later than the 10th day after the date  
2-12 on which the person arrives in another state in which the person  
2-13 intends to reside, the person must register with the law  
2-14 enforcement agency that is identified by the department as the  
2-15 agency designated by that state to receive registration  
2-16 information, if the other state has a registration requirement for  
2-17 sex offenders;

2-18 (2) require the person to sign a written statement  
2-19 that the person was informed of the person's duties as described by  
2-20 Subdivision (1) or, if the person refuses to sign the statement,

3-1 will be subject to registration under this chapter is due to be  
3-2 released from a penal institution, or on receipt of notice by a  
3-3 penal institution that a person who will be subject to registration  
3-4 under this chapter is due to be released in less than seven days,  
3-5 an official of the penal institution shall send the person's  
3-6 completed registration form and numeric risk level to the  
3-7 department and to:

3-8 (1) the applicable local law enforcement authority in  
3-9 the municipality or county in which the person expects to reside,  
3-10 if the person expects to reside in this state; or

3-11 (2) the law enforcement agency that is identified by  
3-12 the department as the agency designated by another state to receive  
3-13 registration information, if the person expects to reside in that  
3-14 other state and that other state has a registration requirement for

3-15 sex offenders.  
3-16 (c) If a person who is subject to registration under this  
3-17 chapter receives an order deferring adjudication, placing the  
3-18 person on juvenile probation or community supervision, or imposing  
3-19 only a fine, the court pronouncing the order or sentence shall make  
3-20 a determination of the person's numeric risk level using the sex  
3-21 offender screening tool developed or selected under Article 62.035,  
3-22 assign to the person a numeric risk level of one or two, and ensure

4-12 enforcement authority shall verify the age of the victim, [and] the  
4-13 basis on which the person is subject to registration under this  
4-14 chapter, and the person's numeric risk level. If the victim is a  
4-15 child younger than 17 years of age and the basis on which the  
4-16 person is subject to registration is not an adjudication of  
4-17 delinquent conduct and is not a conviction or a deferred

4-23 newspaper of greatest general circulation in the county. The  
4-24 authority shall publish a duplicate notice in the newspaper, with  
4-25 any necessary corrections, during the week immediately following  
4-26 the week of initial publication. If the victim is a child younger  
5-1 than 17 years of age, regardless of the basis on which the person  
5-2 is subject to registration, the authority shall immediately provide  
5-3 notice to the superintendent of the public school district and to  
5-4 the administrator of any private primary or secondary school  
5-5 located in the public school district in which the person subject  
5-6 to registration intends to reside by mail to the office of the  
5-7 superintendent or administrator, as appropriate.

5-8 (f) The local law enforcement authority shall include in the  
5-9 notice by publication in a newspaper the following information

- 5-15 where the person intends to reside; and
- 5-16 (4) the person's numeric risk level assigned under
- 5-17 this chapter and the guidelines used to determine a person's risk
- 5-18 level generally.

5-19 SECTION 2. Chapter 62, Code of Criminal Procedure, as added  
5-20 by Chapter 668, Acts of the 75th Legislature, Regular Session,  
5-21 1997, is amended by adding Article 62.035 to read as follows:

5-23 SCREENING TOOL. (a) The Texas Department of Criminal Justice  
5-24 shall establish a risk assessment review committee composed of at  
5-25 least five members, each of whom is a state employee whose service  
5-26 on the review committee is in addition to the employee's regular

6-7 treatment provider; and

6-8 (4) one member having experience working with victims

6-9 of sex offenses.

6-10 (b) The risk assessment review committee shall develop or

6-11 select from among existing tools a sex offender screening tool to

6-12 be used in determining the level of risk of a person subject to

6-13 registration under this chapter. The sex offender screening tool

6-14 must use an objective point system under which a person is assigned

6-15 a designated number of points for each of various factors, such as

6-16 the nature of the offense for which the person is subject to

6-17 registration, the age of the victim, and the number of occasions on

6-18 which the person has been convicted of or adjudicated for an

6-19 offense for which a person is subject to registration under this

6-20 chapter. In developing or selecting the sex offender screening

6-21 tool, the risk assessment review committee shall use or shall

6-22 select a screening tool that may be adapted to use the following

6-23 general guidelines:

6-24 (1) level one:

6-25 (A) a designated number of points or higher on

6-26 the sex offender screening tool; and

7-1 (B) a basis for concern that the person poses a

7-2 serious danger to the community or will continue to engage in

7-3 criminal sexual conduct;

7-4 (2) level two, either, but not both, of the following:

7-5 (A) a designated number of points or higher on

7-6 the sex offender screening tool; or

7-7 (B) a basis for concern that the person poses a

7-8 serious danger to the community or will continue to engage in

7-9 criminal sexual conduct; and

7-10 (3) level three: no basis for concern that the person

7-11 poses a serious danger to the community or will continue to engage

7-12 in criminal sexual conduct.

7-13 (c) The risk assessment review committee may assign to a

7-14 person a numeric risk level of three only on receipt of notice

7-15 under Article 62.04 that the person intends to move to a new

7-16 residence in this state and only if:

7-17 (1) the person was originally assigned a numeric risk

7-18 level of two under Article 62.03;

7-19 (2) the committee considers any information available

7-20 to the committee that was used by the committee or by the court at

7-21 the time of assigning to the person a numeric risk level of two;

7-22 and

7-23 (3) the basis on which the person is subject to

7-24 registration is a conviction of or a grant of deferred adjudication

7-25 for an offense under Section 21.11 or Section 22.011(a)(2), Penal

7-26 Code, or an adjudication of delinquent conduct based on a violation

8-1 of one of those offenses, committed against a victim who is of the

8-2 opposite sex of the person and is not more than five years younger

8-3 than the person.

8-4 SECTION 3. Subsections (d), (f), and (g), Article 62.04,

8-5 Code of Criminal Procedure, are amended to read as follows:

8-6 (d) Not later than the third day after receipt of

8-7 information under Subsection (a) or (b), whichever is earlier, the

8-8 local law enforcement authority shall forward this information to

8-9 the department and, if the person intends to move to another

8-10 municipality or county in this state, to the applicable local law

8-11 enforcement authority in that municipality or county and, if the

8-12 person meets the criteria described by Article 62.035(c)(3) to be

8-13 reassigned a numeric risk level of three, to the risk assessment

8-14 review committee established under that article. On receipt of

8-15 information under this subsection, the risk assessment review  
8-16 committee shall determine whether the person meets the criteria to  
8-17 be reassigned a numeric risk level of three, assign to the person a  
8-18 numeric risk level of three, if the person meets that criteria, and  
8-19 immediately send a written notice of the person's risk level to the  
8-20 department and to the local law enforcement authority in the  
8-21 municipality or county where the person intends to reside.

8-22 (f) If the person moves to another municipality or county in  
8-23 this state, the department shall inform the applicable local law  
8-24 enforcement authority in the new area of the person's residence not  
8-25 later than the third day after the date on which the department  
8-26 receives information under Subsection (a). Not later than the  
9-1 eighth day after the date on which the local law enforcement  
9-2 authority is informed under Subsection (a) or under this  
9-3 subsection, the authority shall verify the age of the victim, [and]  
9-4 the basis on which the person is subject to registration under this  
9-5 chapter, and the person's numeric risk level. If the victim is a  
9-6 child younger than 17 years of age, [and] the basis on which the  
9-7 person is subject to registration is not an adjudication of  
9-8 delinquent conduct and is not a conviction or a deferred  
9-9 adjudication for an offense under Section 25.02, Penal Code, and  
9-10 the person is not assigned a numeric risk level three, the  
9-11 authority shall immediately publish notice in English and Spanish  
9-12 in the newspaper of greatest paid circulation in the county in  
9-13 which the person subject to registration intends to reside or, if  
9-14 there is no newspaper of paid circulation in that county, in the  
9-15 newspaper of greatest general circulation in the county. The local  
9-16 law enforcement authority shall publish a duplicate notice in the  
9-17 newspaper, with any necessary corrections, during the week  
9-18 immediately following the week of initial publication. If the  
9-19 victim is a child younger than 17 years of age, regardless of the  
9-20 basis on which the person is subject to registration or the  
9-21 person's numeric risk level, the authority shall immediately  
9-22 provide notice to the superintendent of the public school district  
9-23 and to the administrator of any private primary or secondary school  
9-24 located in the public school district in which the person subject  
9-25 to registration intends to reside by mail to the office of the  
9-26 superintendent or administrator, as appropriate.

10-1 (g) The local law enforcement authority shall include in the  
10-2 notice by publication in a newspaper the following information

10-6 person is subject to registration; [and]  
10-7 (3) the municipality, street name, and zip code number  
10-8 where the person intends to reside; and  
10-9 (4) the person's numeric risk level assigned under  
10-10 this chapter and the guidelines used to determine a person's risk  
10-11 level generally.

10-12 SECTION 4. Chapter 62, Code of Criminal Procedure, as added  
10-13 by Chapter 668, Acts of the 75th Legislature, Regular Session,  
10-14 1997, is amended by adding Article 62.045 to read as follows:

10-15 Art. 62.045. ADDITIONAL PUBLIC NOTICE FOR CERTAIN OFFENDERS.  
10-16 (a) On receipt of notice under this chapter that a person subject  
10-17 to registration is due to be released from a penal institution, has  
10-18 been placed on community supervision or juvenile probation, or  
10-19 intends to move to a new residence in this state, the department  
10-20 shall verify the person's numeric risk level assigned under this  
10-21 chapter. If the person is assigned a numeric risk level one, the  
10-22 department shall, not later than the seventh day after the date on  
10-23 which the person is released or the 10th day after the date on  
10-24 which the person moves, provide written notice mailed or delivered  
10-25 to at least each residential address within a one-mile radius, in  
10-26 an area that has not been subdivided, or a three-block area, in an

11-2 intends to reside. In providing written notice under this  
11-3 subsection, the department shall use employees of the department  
11-4 whose duties in providing the notice are in addition to the  
11-5 employees' regular duties.

11-6 (b) The department shall include in the notice any  
11-7 information that is public information under this chapter. The  
11-8 department may not include any information that is not public  
11-9 information under this chapter.

11-10 (c) The department shall establish procedures for a person  
11-11 with respect to whom notice is provided under Subsection (a), other  
11-12 than a person subject to registration on the basis of an  
11-13 adjudication of delinquent conduct, to pay to the department all  
11-14 costs incurred by the department in providing the notice. The  
11-15 person shall pay those costs in accordance with the procedures  
11-16 established under this subsection.

11-17 (d) On receipt of notice under this chapter that a person  
11-18 subject to registration under this chapter is required to register  
11-19 or verify registration with a local law enforcement authority and  
11-20 has been assigned a numeric risk level of one, the local law  
11-21 enforcement authority may provide notice to the public in any  
11-22 manner determined appropriate by the local law enforcement  
11-23 authority, including holding a neighborhood meeting, posting  
11-24 notices in the area where the person intends to reside,  
11-25 distributing printed notices to area residents, or establishing a  
11-26 specialized local website. The local law enforcement authority may  
12-1 include in the notice any information that is public information  
12-2 under this chapter.

12-3 (e) An owner of a single-family residential property or the  
12-4 owner's agent has no duty to make a disclosure to a prospective  
12-5 buyer or tenant about registrants under this chapter.

12-6 SECTION 5. The Texas Department of Criminal Justice shall  
12-7 establish the risk assessment review committee, as required by  
12-8 Article 62.035, Code of Criminal Procedure, as added by this Act,  
12-9 not later than September 1, 1999. The review committee shall  
12-10 develop or select the sex offender screening tool, as required by  
12-11 Article 62.035, not later than December 1, 1999, and make the tool  
12-12 available to all judges hearing criminal cases not later than  
12-13 December 15, 1999. Each person released from a penal institution,  
12-14 as defined by Article 62.01, Code of Criminal Procedure, or placed  
12-15 on community supervision or juvenile probation on or after January  
12-16 1, 2000, and for whom registration is required under Chapter 62, as  
12-17 added by Chapter 668, Acts of the 75th Legislature, Regular  
12-18 Session, 1997, must be assigned a numeric risk level as required by  
12-19 Chapter 62.

12-20 SECTION 6. (a) The Department of Public Safety of the State  
12-21 of Texas shall establish the procedures required by Article 62.045,  
12-22 Code of Criminal Procedure, as added by this Act, not later than

12-25 this Act, applies only to a person subject to the requirements of

13-1 Acts of the 75th Legislature, Regular Session, 1997, for a  
13-2 reportable conviction or adjudication, as defined by that chapter,  
13-3 that occurs on or after January 1, 2000. A person subject to the  
13-4 requirements of Chapter 62, Code of Criminal Procedure, as added by  
13-5 Chapter 668, Acts of the 75th Legislature, Regular Session, 1997,

13-8 in effect when the reportable conviction or adjudication occurs,  
13-9 and the former law is continued in effect for that purpose.

13-10 SECTION 7. The importance of this legislation and the  
13-11 crowded condition of the calendars in both houses create an  
13-12 emergency and an imperative public necessity that the  
13-13 constitutional rule requiring bills to be read on three several  
13-14 days in each house be suspended, and this rule is hereby suspended,

13-15 and that this Act take effect and be in force from and after its

Static-99 identified a substantial subsample (approximately 12%) of offenders whose long-term risk for sexual recidivism was greater than 50%. The recidivism rates for the minimum entrant into the high risk category (score of '6') was 37%, 44% and 51% after 5, 10 and 15 years post release. Most of the offenders, however, were in the lower risk categories, with long-term recidivism risk of 10% to 20%.

As can be seen in Figure 4, offenders with high scores on Static-99 were also at substantial risk for any
